

FINCA OGAWA  
A R G E N T I N A

## Direction to the finca... From Mendoza City.

From your car agency you need to find HWY 40 south to the city of Tunuyán... please ask the rental people for some help locating HWY 40..

Once on HWY 40 south you will travel south approximately 71 km.

As you begin to enter the city limits of Tunuyán, look for a small sign on your right hand side that says "Tunuyán "... turn right at the first turn this is Villanueva street ,it is a gravel road. Also at this intersection, on your right hand side, there is a huge and well organized refrigeration fruit storage packing plant. ( FRIGORIFICO TUNUYAN ) This is a shortcut that will by pass entering you into Tunuyan city. Visit the city later with some time...

You will go west on this gravel road about 1km until you come to an intersection... turn left ( to the south ), go straight on this road about 1 km more you will come to an intersection again... this is route 92 and is now a paved road. At this intersection you will find a very large Petrobras service station, on your left hand side ... good place to use the bathroom and buy a coffee. Turn right onto route 92 (west to the mountains)

Continue on this road 7.9 km, here you will find the small town of Colonia Las Rosas turn right at the EL GITANO grocery store onto Tabanera Street; this is still a paved road. There are two small markets in this area to buy basic food items, a good place to buy provisions.

Go straight (west) on Tabanera street 3.4 km... At this point ... turn right on an unnamed gravel road, you are now traveling north. ( immediately prior to this turn you will find on your right a vineyard project called La Dolce Vita you will see new vineyards , with a large water retaining pool is situated where you will turn...) Travel 1.6 km on this gravel road (north) .

At 1.6 km point, the road ends at a T ... this T road is Calle Bascuñán... turn left on Bascuñán.. (You are now going west towards the mountains).

Travel 1km more on this road... on your right hand side look for a simple entrance of vertical wooden posts, we have vineyards planted along the front of the property, and the small wooden sign FINCA OGAWA. Turn right into the finca. Welcome you have done it.
